Walk a bit further
see deeper to my core
You have just scratched the surface
do you really want to see more
My soul is a vast ocean
no ceiling and no floor
Liquid and expansive
molten lava shore
to shore!

There is plenty of
love there tremendous
courage it's true I have known
share of pain my love
there is much that I've been through
Roads I've traveled are many
I've found the way to the light
dark alleys quite a few my heart is forged a steel blue.
